Tips for Using These Pages

Coloring Cover Page: Use this page for work on crayon control while coloring in the letters and objects.

Tracing Cards: If unlaminated, have the child use play dough or pipe cleaners to shape and form the letters on top of the tracing card. Let the child arrange poms or beans on top of the letters to build the letters. If laminated, use dry erase marker or crayon to trace and retrace the letters, following the direction arrows. Use the two blank cards, laminated, to let the child write letters independently without the guide.

Flash Cards: These are large, half-page sized, flash cards. You can laminate them for sturdy play. Alternatively, hang them on the walls as posters or use one to display for the letter of the day with a loose parts or sensory table.

Matching: Let the child match the flash cards and tracing cards together.

Copies: You may make as many copies as you need for your personal use but you may not share this digital file or any printed copies with others. Thank you!
